PROFESSIONAL STANDARDS FOR AREA SCHOOL PRINCIPALS

The Professional Standards set out in this schedule have been drawn from the *Kiwi Leadership for Principals* document and the educational leadership best evidence synthesis *School Leadership and Student Outcomes: Identifying What Works and Why*. The Working Group also acknowledged *Tū Rāngatira: Maori Medium Educational Leadership*.

These Standards form a component part of the principal's performance agreement alongside other components such as the school's strategic and annual plans, the principal's job description, and the New Zealand Teachers' Council criteria for registration as a teacher. The Standards contribute to a framework which assists in assessing and reviewing current practice and in identifying future professional learning. *Part 4 of the Area School Principals' Collective Agreement* describes the responsibility of the employing board to develop the principal's performance agreement.
